

RC LASER 2015 NATIONAL CHAMPIONSHIP

29th – 30th August

The Australian National Championship for Radio Control Laser sailors is to be held on Iron Cove in Sydney Harbour this year for the second time in the seven-year history of the event.

Around forty sailors from around Australia will compete for the perpetual trophy. This will be a record number of skippers and one of the largest RC Laser competitions world-wide since the inception of the class in the mid-1990s.

Henley Marine Drive, Five Dock

The Championship is being hosted by the Dobroyd Aquatic Club at Rodd Point in Sydney's inner west, the club that hosted the inaugural event in 2009.

Invitation to the Radio Control Yachting Community

We hope to welcome many of our RC Yachting friends to the event – it is a top location for spectators and the sailing will be competitive and exciting.

Details are:

Bookings required - \$35pp. From 6pm.

PRO: Garry Bromley, Koonawarra Bay Sailing Club

SCORER: Marilyn Russell

The RC Laser is a quarter scale model of the iconic Olympic Class Laser dinghy. It is sailed worldwide and raced competitively in each Australian State. The sport has increased year-on-year since the RC Laser was introduced to Australia in 2003. The National Title is the year's largest competitive event.
